

# You love your woods, but what's their future?

## Come learn how to improve the health of your woods while cutting trees!

Join us for an onsite tour of Henry and Judy Kohn's property, where we will observe their land after recently completing a timber sale.

This program will be led by Henry and Judy, in addition to their second-generation private forester, Rich Valcourt Jr. of Green Natural Resource Management, and staff from East Quabbin Land Trust.

### Event details:

**Saturday, November 12th at 9:30 a.m.**

Meet at the intersection of Thayer Road and Hall Road in Hardwick, MA. 01082  
Light refreshments will be provided!
