

WILBRAHAM WOODS WALK SATURDAY, NOV. 5

**10 am – noon; Meet at Community Garden
Parking area, Monson Road, Wilbraham**

FREE - (Rain date: 10-noon; Saturday, Nov. 12)

Join consulting forester Carmine Angeloni, for a walk through a 117-acre harvested portion of Wilbraham's Thayer Brook Conservation Area, a 165-acre town forest managed to foster the vigor and resilience of trees to recover from storm events. Learn about managing woodlands to promote diverse tree species in light of a changing climate, and practices that can be applied on your own land.
