

WILDLIFE & WOODLAND RESILIENCE WALK

SATURDAY, SEPT. 14

2 – 4 pm

**Lebanon Hill Rd.
Southbridge, MA**

***From Bird Habitat to Timber –
Learn about Woodland Resilience***

(RSVP to receive site directions)

Join licensed forester Jackie Kulig and host Ted Wetherill for a free 2-hour walk in this Southbridge woodland to learn about managing woods for bird habitat, timber and changing conditions.

Landowners can learn about management practices to promote diverse tree species and wildlife while promoting long-term health.

**LANDOWNERS,
FORESTERS & LAND
MANAGERS**

**JOIN US FOR
A WOODS WALK!**
